

Mission Statement

We at AAA Nursing Services aim to provide excellent and focused care to meet the physical, spiritual, and emotional needs of our patients and their families. Each case is managed individually and handled with a holistic approach. Our compassionate staff is committed to delivering an optimum level of care within home, acute skilled by assisting patients in moving towards a reasonable level of wellness and self care. According to title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act and the Age Discrimination Act.

Objective

AAA Nursing is dedicated to providing quality care while offering home based services so your loved ones may continue to spend time with you and your family in a comfortable setting. For quality assurance, we have an excellent auditing system. For any questions, please contact our management team at AAA Nursing. We are here to address your thoughts and concerns.

10. Not only are we insured, we are also bonded.

Free Assessment

Contact AAA Nursing Services for a free assessment. We are open 24 hours a day, 365 days a year.

Transportation services are available.

We require a minimum of 5 hours daily and 3 consecutive days per week in order to provide our services.

Prices are subject to change based on a client's assessed level of care required and proper licensed caregiver needed to provide necessary services.

Clients do not directly pay caregivers. Clients are invoiced weekly for services and payment is due upon receipt of the invoice. There are no additional agency or placement fee.

We accept long term insurance, workers compensation, and personal checks.
