FIGHTING THE EFFECTS OF ALZHEIMER'S DISEASE

At Home

A MANAGEMENT PLAN FOR YOU

By closely following your physician's plan of care, you can effectively manage your condition and **AAA Nursing Services** is here to help. Our nurses, therapists, equipment specialists and nurse's aides will contribute to your recovery every step of the way, working closely with your doctors and your family.

AAA Nursing Services: In Home visits skilled nurses & therapists

Licensed nurses will educate and instruct you and your family members on the management of Alzheimer's Disease. They will also monitor medications and provide a medication regimen.

Medical Social Workers will help the family access community resources and will assist the family with any counseling needs.

Physical or occupational therapists will conduct a home safety inspection to recommend adaptive medical equipment to assist with Activities of Daily Living (ADL's). An individualized custom exercise program will be designed to help build strength.
